

**Web Design Internship
Winnetka Historical Society
Winnetka, IL**

The Winnetka Historical Society is accepting applications for unpaid interns for Spring - Summer 2018 in website design and maintenance.

The intern will primarily focus on the Historical Society's website, winnetkahistory.org, including updating website's design, layout, and functionality. Some troubleshooting and fixing issues, as needed. Post blog entries, events, shop products and other day-to-day items. Research and create text and images for online exhibitions and online research tools. Write social media posts and blog entries. Other projects to be determined.

The ideal candidate will be experienced with WordPress. Graphic design aptitude preferred but not required. Strong attention to detail and editing skills desired.

TO APPLY: Please send your resume to curator@winnetkahistory.org with the subject line: 2018 Web Design Internship. Please introduce yourself and indicate if you plan to apply for course credit for the internship in the body of your email. Applications will be accepted on a rolling basis.
