In 2022, the Winnetka Historical Society continued its mission to honor and preserve the village's heritage, gather and share the artifacts and stories of its past, and foster meaningful connections among Winnetkans and the broader community.

Accomplishments

For the first time ever, the Schmidt-Burnham Log House was open to the public for a full seven months, enabling over 700 visitors to step back in time.

Generous supporters like you attended our first in-person Gala since 2019 at the historic Heneghan residence at 5 Indian Hill Road and netted \$76,000. What a joyful evening it was!

Internet users increasingly tapped into our digital exhibits and resources, including 47,000 visitors to our website, 32,000 individuals interacting with our social media and almost 9,000 views of our YouTube videos.

We continued our work with the Winnetka Public Library, Park District and local schools on collaborative programs, field trips and events highlighting exciting chapters of our history.

The board and staff have provided unwavering commitment and our wonderful volunteers enable us to thrive and grow. We are truly grateful to our loyal donors like you whose support makes this all possible.

Sincerely,

Holly Marihugh, President
